

Difficulty Rating- Easy Medium Difficult

Supplies:

- Chain (length according to your desired fit).
- Toggle Clasp of your choice.
- Jump Rings
- Headpins
- Accessories of your choice
Ex: beads, spacers, or charms.

Directions:

1. Cut chain to your desired length (for necklace or bracelet).
2. Attach toggle using jump rings.
3. Count down 2 to 3 links from the toggle and attach a piece of chain (at your desired length).
4. Dangle beads, spacers, or charms from the chain using headpins and jump rings.
5. Continue to dangle beads and spacers until you reach your desired cluster size.
