Difficulty Rating- Easy Medium Difficult

supplies:

- Large Flat Designer Marbles by SPC
- Super Oval Punch by Marvy
- Decorative Paper
- Spray Adhesive Tack 1000
- Magnet 18mm
- Industrial Strength Adhesive (E6000)
- Rub-ons

directions:

1. Punch ovals out of decorative paper and adhere to the marbles using spray adhesive
2. Embellish the top of the marble with coordinating rub-ons
3. Adhere magnet to the back of the marble using industrial strength adhesive

supplies:

- (Same as above)
- Alcohol ink
- Alcohol ink Applicator
- White Cardstock

directions:

1. Punch ovals out of white cardstock and adhere to the marbles using spray adhesive
2. To achieve marbled effect use Alcohol Inks and applicator: Attach Felt to hook surface of Applicator. Apply Alcohol ink by placing the nib of the bottle onto the Felt and gently squeezing the ink into the Felt. Repeat with Several color inks. Apply ink to marble by randomly stamping and twisting the Applicator on the surface.
3. Adhere magnet to the back of the marble using industrial strength adhesive
