## Supplies:

- 36" wood shelf
- Wood glue
- Bo Bunny Press Letters
- Mod Podge
- Krylon Spray Sealer
- "Fun Flying Friends" Rub-ons
- Lara's 1-1/2" wood rectangles
- Amethyst Ceramcoat Paint
- Seashell White Ceramcoat Paint

## Directions:

1. Water down the Seashell White paint ( 2 parts paint to 1 part water). This will give your piece a stained look rather than solid paint.
2. Paint rectangles with straight Seashell White paint. Float or dry brush Amethyst color around edges of rectangles.
3. Place rub-ons in desired areas (follow directions on package to apply rub-ons).
4. Apply one layer of Mod Podge on rectangles and let dry.
5. Place letters in center of rectangles. Apply three coats of Mod Podge over the top, letting it dry completely between each coat.
6. Use wood glue to front of shelf and allow to dry.
7. Spray entire project with Krylon spray sealer.
