Directions:

1. Using foam brush paint front and back of both chipboard covers with blue paint. Set aside to dry.

Inside Pages:

2. Next remove 20 Bind-It-all pages from packaging.
3. Cover the first page with green cardstock (cut to 7.5"x5"). Cut 1/2" strip of Pinwheel Stripe pattern paper and adhere to center of page. Cut 1.75"x 2.5" rectangle of yellow cardstock and adhere to center of page on top of pattern paper stripe. Add Easter Bunny sticker from cardstock sticker sheet to top of yellow rectangle and write in the date.
4. The rest of the inside pages will follow the same basic layout - using the same pattern paper/cardstock combinations and will be repeated in order as well.
5. On the left page of the spread - a 7.5"x 0.75" strip of pattern paper, a 2" scallop circle punch of cardstock, and embellishment sticker(s) placed on scallop circle. On the right page of the spread - a 7.5"x 5" piece of the same pattern paper, a 4x6" photo, matted on a 4.25" x 6.25" piece of cardstock to show a 1/8" border on all sides. The paper combinations and order are (repeat three times)
 - 1996 Spring Garden pattern paper/yellow cardstock
 - 2002 Easter Argyle pattern paper/green cardstock
 - 2001 Pinwheel Stripe pattern paper/blue cardstock
6. Once all pages and photos are complete add journaling to each two page spread.
7. Cover back of last inside page with piece of 7.5" x 5" piece of green cardstock.

Back to the Cover:

8. Adhere Glitter Lace Cardstock to the front cover of the book, trim with scissors to fit.
9. Cut 0.75" strip of Pinwheel Strip pattern paper. Adhere to bottom portion of front cover (about 0.75" from bottom).
9. Trim piece of yellow cardstock to 3.25"x 1.75". Adhere on top of strip of pattern paper, placed on the right side of the book.
10. Place "Easter" cardstock stickers on top of yellow cardstock for title of the book.
11. Embellish front cover using flower and butterfly cardstock stickers both with and without 3-D dots for depth.
12. Once pages and covers are complete use binding and Bind-it-All machine to bind the covers and inside pages into a book.
